

“For last year’s words belong to last year’s language,
And next year’s words await another voice.
And to make an end is to make a beginning.” - T.S. Eliot

We made it!

Finally, after all those group projects, tight deadlines, and presentations we get to sit back and appreciate all the work we have put forward this year at the **34th Annual Greg Awards on April 12, 2014!**

We just wanted to take the time to thank all our mentees, peer-mentors and professional mentors that have made up the **FUSE Family**. It’s really been a pleasure to interact with all of you. We are certainly sad to say goodbye, but happy to hand the the reins over to our **newly elected Co-Executives Tiffany Monk and Chantal Lauzon!**

We wanted to celebrate this family and give you a good send off into the next chapter of your lives. Please join us at the **TIR NAN OG** on **Wednesday April 9th from 7-9pm.**

FUSE has truly made our college experience one to remember and we are happy to have been able to commit time to our peers and hopefully had the chance to impact the lives of others, even if it it was just one. The emotional roller coster of being in college can be overwhelming at times, but we are lucky to have people who really care about us.

Thank you Frank and Kathy for having the biggest hearts on campus. FUSE creates a place to connect and make new friends and create lasting relationships that will be taken beyond the walls of St. Lawrence College. Dream it, then live it.

Congrats to all the Nominees!

Best of Luck,

Andrea Durfee & Emm Fawcett
